"I Thank God For You!"

In a number of Paul's epistles he says that he gives thanks to God for the people of the church to whom he is writing. The specific reasons vary a little, but the core reason is the same. He is thankful to God for the faith that He has given them that is evident in their lives. I want you members of the Trinity family of faith to know, I thank God for you!

Three years ago you called me to come to Trinity and serve as your called pastor. I suspect that the Call committee was looking at myself and others from the perspective of what could each of us bring to Trinity and would it be a good fit for the church. I was looking at it in much the same way, as well as considering whether it was time for me to ask to be released from my current call (in California) and accept a new one to Trinity. There were some personal matters mixed in with these considerations as well. What I had not really considered was what God had in store for me and my family being ministered to and served by Trinity! Actually, I should have had a clue when Trinity extended a call to me at the age of 61 with a wife suffering from terminal cancer. By most standards, I was not a prime candidate to select. But, since we arrived Trinity has been enormously loving and caring for me and my family. I thank God for you!

I guess I'm sharing this now because of all that has happened in the past year or so. We're approaching the first anniversary of Ruth Ann's call to heaven on October 20th. Throughout the difficult days of her fight with cancer, you were always there for her and for Tristan and I. Moving back to Western New York presented a bonus in that it brought us closer to both of our families and the support they offered as well. Being close to Ruth Ann's mother was a very special blessing and support for her. But, so was Trinity! Your prayers, cards, visits, food and loving care were, and still are, a blessing. Throughout this past year of getting used to life without my wife, battling cancer myself and dealing with additional dental complications, you have been very caring and supportive. I truly thank God for all of you, your prayers and your support.

As I look back over the past year I'm tempted to want to flush it away and put it all behind me. Certainly the loneliness and sense of loss have been challenging. And, going through three surgeries have been no picnic either! But if I could somehow make it all go away, I'd be ignoring all the ministering that Trinity has offered to me. I've wondered at times if God called me to West Seneca to serve you, or whether it was for you to minister to me! Actually, I suppose, it is both – and neither. God called me to serve Him. God has called all of us at Trinity and in His church to serve Him. We serve Him, however, as we serve one another. As a pastor, of course, I am called to serve and minister with, among and to you. It has been a privilege and an honor to do so. And, I am so blessed by you and thank God for your faithfulness to Him in serving me and many others!

I know that October is traditionally "Pastors' Appreciation" month. It's a time when church members are encouraged to express appreciation for their pastor. From a different perspective, please know that I am one pastor who truly appreciates all of you!

~ Pastor Dennis Krueger

City Mission Thanksgiving Campaign

City Mission is running their Thanksgiving Dinner Campaign again. Thanksgiving is a time where we thank God for the many things he has given us (food, shelter, etc.) A small amount of \$1.98 would provide a meal for someone at City Mission; \$20 would provide 10 meals. This is an easy way to pay it forward to those less fortunate. Please consider a donation ~ checks payable to City Mission and put them in Harris Wienke's mailbox. Thank you!

Altar Flowers

We are in need of families to sign up to donate altar flowers for **November and December**. A sign-up sheet is on the bulletin board in the church coatroom. They are only \$10 and you get to take them home after the 10:30am service. Thank you for helping to beautify our altar!

Trinity School News

From the Principal ...

Dear Friends in Christ,

I hope you were able to join the staff, school families and congregation in September for Teacher Installation and Blessing of the Backpacks. It was a joy for the staff and for me to stand before you and be installed as school missionaries and ministers once again.

The soccer season is underway, and we're thankful to Chris Kopra and Brad McKernan for coaching our team again this year. We even have enough players to have substitutes! Our October home games are on Thursday 10/5 & 10/12 at 4pm. You should stop over and get in on the fun!

We'd really love to have a couple of "grandparent" classroom readers once or twice per month. Even with all of the technology out there, the children still love to hear a storybook read to them, and they benefit from the influence of an earlier generation, as well. Please consider coming in to spend 20 minutes or so with our Kindergarten or 1st & 2nd graders. They would LOVE to meet you!

Do you have 10/11 and 10/21 marked on your calendars? All adult Trinity members are "honorary grandparents," no matter your age, and are invited to our Grandparents Day breakfast and chapel at 8:30 am on 10/11. Saturday 10/21 is our newly formatted Chiavetta's chicken BBQ for the 7th & 8th grade class trip. It's a drive-through only this year, from 11am-4pm. We're saving the basket raffle for the spaghetti dinner in the spring. Call the office for presale tickets. You'll be seeing more information soon.

Your Annual Fund money has helped to purchase 5 starter kits from Lego Education, including WeDo 2.0 for coding and other STEM skills enhancement. We are also able to provide, along with New York State funding, all of our 5th-8th graders with individual Chromebooks and 3rd & 4th graders with laptops for classroom use.

Our first quarter mission offerings will benefit our LIFE group and the Haiti orphanage. The school is looking forward to expand our participation in the Haiti mission, maybe even to Skype with the children there! As our global awareness in the classroom increases with digital field trips and explorations, the opportunity to interact with Haitian children will be even more meaningful. We had the privilege to participate in a Thrivent activity, collecting cleaning supplies, to benefit Habitat for Humanity, and several bins of materials were packed up. Thanks to Brian and Ellen Makey for the opportunity to help out!

~ Kathleen Fretthold, Principal

Ukuleles in the Music Room!

I'm excited to announce that students will have the opportunity to learn the ukulele during music class this year! Grades 3/4 and 7/8 will learn basic chords along with folk songs and simple worship songs. Students will not only learn music fundamentals, but also worship leadership skills as we hope to incorporate these instruments into chapel time.

A big thank you to Carol Feltz, great-grandmother of 4 current Trinity students, for the generous music donation for the purchase of 11 concert sized ukuleles, cases, tuners, and books!

~ Noel Anderson, Music Teacher

September Newsletter Article

On page 10 of the September *Trinity Church Tidings*, an article entitled, "*Whose Sin Is the Greatest?*" has seemingly upset a few church members. I apologize that I did not reference the author. I received it as a blog from a friend and past president of the Lutheran Church Missouri Synod, Dr. Gerald Kieschnick. I should, however, have documented the source. I submitted it to the newsletter because I thought he addressed a very upsetting situation developing in our country in a helpful way. It was not intended to be some sort of partisan political plug, nor do I think the author meant it to be. I honestly took it to be a Christian perspective on a current trend and behavior in our nation. If you were offended by it, I'm sorry for that. Truly, if I thought it was offensive I would not have passed it on.

Seven Things That God Hates

Proverbs 6:16-20
(Part 5 of 7)

"Feet That Are Running to Mischief"

At the creation, when God molded Adam,
Carefully molded according to plan,
Every detail had a definite purpose,
As He so carefully fashioned the man.
First, were the basics for living and breathing,
Brain, heart, lungs, hands and arms, legs and feet.
How God delighted in His new creation
Standing before Him, a marvel, complete.
There was no hint, when man's feet were created
That they would hasten to places of sin.
Great is the grief of our loving Creator,
When evil purposes motivate men.
O, His delight to see errands of mercy
Filling the moments and filling man's times.
O how He blesses the loving endeavors:
Unselfish efforts, so good, so sublime.
But when the spirit of man is polluted,
Eager to run where the wicked presides,
All of the hatred replaces the blessings.
Only a curse where the evil abides.

In his letter to the Galatians the Apostle Paul writes, *"Bear one another's burdens, and in this way you will fulfill the law of Christ."* Since 1975, millions of people have benefited from the Christ-centered care that Stephen ministers provide. Stephen Ministers are members of our church who have received special training to provide one-to-one Christian care (not counseling) to people of the congregation and community who are experiencing grief, loneliness, divorce, hospitalization, disability, job loss, and many other difficulties. To learn how to become – or receive care from – a Stephen Minister, talk to Pastor Krueger or Stephen Ministry Leader, Don Meissner. Trinity is looking to start a new Stephen Ministry training course in January of 2018.

Sr. High

Sr. High Teen Growth Opportunities: Besides the fun, fellowship and service opportunities listed above, teens also have the opportunity to gather for spiritual growth and encouragement in our Small Group and also Sunday morning focus time. See below for more information on both of these opportunities.

Sr. High Small Group: Small group will gather this month on **October 10th and 24th from 7pm-8:30pm** at the Willert's house located next to the church. Last year was the pilot year for our Sr. High Small Group ministry, and this year we're excited to continue and build on this program. It's unique from other traditional youth groups because it is peer led and adult supported rather than adult driven. Both the student leaders and adults go through training to be able to make this ministry happen. Gathering twice a month in someone's home, high school students enjoy some snacks and fellowship time as well as share in a meaningful peer guided discussion topic having to do with the lives of teens and how God fits in. Friends are always welcome and that's how the group grows, having an outward focus.

Sr. High Group Devotions: Our focus time is held every Sunday morning in the youth room on the lower level of the church from **9:15am-10:15am** with our fearless leaders Brad and Rachel. During this time we'll include some structured theme and devotional topics relating to faith and life.

Teen Camp Out Morphed to Boating and Picnic: On August 25, the Sr. High was scheduled to do an overnight camp out here on the Trinity Campus. However, with schedules and other inhibiting factors, they instead opted for a time of boating and a picnic at Beaver Island State Park on Grand Island. So, they loaded up in two boats and launched from Safe Harbor Marina, rode down the river and docked at Beaver Island toting food and grill. Frisbee and Bocce were played along with some other frivolously made up activities. More friends were able to attend because of the change.

Opening Sr. High Campfire Held: To kick off another year for the Sr. High, the teens gathered at the Willert's house for an evening of fun, fellowship and smores. The September 22 event was attended by our Trinity teen members as well as their friends. A devotion was shared by Mark Willert which started off with a magic card trick. That introduced the Bible narrative of Elijah who brought a young boy back to life. It took Elijah 3 times to ask God to return the boy's life. This encouraged the teens that sometimes more than one prayer is needed for God to take action.

Jr. High

Jr. High Youth Night: If your 6th - 8th grade student has A LOT of energy or wants to have some fun, they should come to our youth night on **October 12 from 6:30pm-8:00pm**. We start with open gym time for about 20 minutes, then some super awesome group games followed by a devotion and snack. Always a great time! Other upcoming Jr. High nights are **Nov. 16** and **Dec. 14**.

Back to School Camp Out ~ Big Event

By Mark Willert, Youth & Family Coordinator

On September 15-16, over 140 folks from Trinity church, school and friends signed up to attend the annual camp out. It was a perfect evening with the weather at 70 degrees and an overnight low of 60. This event offered a hot dog dinner, campfire songs and devotion, a flashlight candy hunt for the kids, fellowship around the campfire, and a pancake breakfast the next morning. Folks could stay and camp in the field if they liked or just attend the food and fellowship. It's a great opportunity for folks to reconnect friendships from summer break or make new ones. The event was sponsored by a Thrivent action team which paid for everything, allowing folks to attend for free. This is an experience which has become the largest fellowship-type event Trinity holds in bringing the church and school families together. Much thanks to the many volunteers who make it all happen ~ especially the 3 teens in the kitchen getting up before sunrise!

Member Email Addresses

Does Trinity have your email address? Not sure? If you haven't been receiving Trinity's monthly newsletter via email, we probably don't have it or you have changed it and we need the new one. If this pertains to you, please contact the church office (674-9188) with your email address or you can write your name and email on a piece of paper and place it in the Church Office mailbox in the coatroom.
